

SUZANNE M. FUSON

**PRESIDENT
SITE SERVICES, INC.**

Suzanne joined Dow Corning in 1982 and spent five years on the east coast selling Dow Corning products in a variety of industries. In 1987, Suzanne returned to Midland to lead their sales and marketing learning and development program. In 1989, Suzanne accepted a marketing role in the Personal Care industry and eventually led the Americas area as the Industry Manager for the Personal Care industry and was a member of the Global Personal Care Leadership Team. In 1996, Suzanne moved to Europe and worked with Dow Corning European marketers to improve their strategic marketing skills. Returning to the United States in 1999, she was named Americas Customer Service manager, managing 160 customer service professionals, and directing operations of the organization. In 2000, Suzanne was named Global Business Development Director of the newly formed Service Enterprise Unit, and led the implementation of Dow Corning's new solutions business model.

In 2004, Suzanne was named president of Site Services, Inc., a wholly owned subsidiary of the Dow Corning Corporation. Founded in 1986, SSI has over 250 employees in Mid-Michigan and Carrollton, KY. SSI's largest customer is Dow Corning, where it provides services that include: IT network, workstation and helpdesk support; skilled trades and operational support; as well as warehouse management and small packaging. SSI also provides technology services and solutions to business customers throughout mid-Michigan. These services include the design, installation and support of computers, networks, voice and data cabling, and telephone systems. SSI employs one of the largest staffs of certified technicians in the area who specialize in these types of work.

Suzanne is a native of Midland and has a bachelor's degree in Business Administration with an emphasis in Marketing from Central Michigan University. Suzanne lives in Midland, with her husband Scott and their teenage children, Alexis and Zachary.
